Pragmatic Healthcare DVD Player

Healthcare DVD Player

Ultra Compact and Flexible

The Pragmatic PHC-DVDP is a convenient, compact DVD player system for use in hospital patient rooms, nursing homes, acute care and even hospitality venues.

It comes with a built-in SD card slot, USB input and game console input for viewing images, watching movies or even playing video games, making it the ultimate entertainment console. Additionally, the DVD player can be controlled via remote control and mounts easily on top of or below commonly sold healthcare TV systems.

Brackets are sold separately and are designed specifically for TV sizes. The available models and corresponding sizes are as follows: PHC-TV22, PHCTVB26, and PHCTVB32. Custom brackets can be purchased for different sized televisions (3-week lead time required for custom orders).

Designed for healthcare use

- Advanced integrated pillow speaker interface

Best total cost of ownership

- Five Star Service—One-year warranty. With the option to extend up to 5 years
- Energy saver design

Sustainable and Safe

- Eco-friendly Design
